

— COMPANY OVERVIEW —

Phoebe & George Ent. Co., Ltd. was founded in 1990, with headquarter based in Taiwan, and a 30,000 square meters of factory established in Guangdong, China in 1998. With more than 2 decades of professional experience, we are specialized in manufacturing K/D metal furniture combined with wood, MDF, PB board, tempered glass, and other finishes.

We produce over thousands of items, including Dinettes, Bar sets, combo beds, coffee /End / Nest tables, TV/Stereo sets, Baker's racks, Computer desks, Bathroom organizers, and other related products exported all over the world with a good reputation.

In view of professional team of daily development and OEM/ODM service, best management and operation, and excellent knowledge in marketing, we have reached a certain stage of the achievement in the long terms of business cooperation with our partners.

Now, our mission and values are to provide clients with a creative lifestyle and a better life quality.
